## What's happening now?

Craven Street from Waynesville Avenue to the new intersection of Hazel Mill and Emma Roads is closed until spring of 2015. Work is continuing on the Craven Street multimodal and waterline improvements.

Work has begun on the other components of the project. Please see the links below for more information.

## Background

The Craven Street improvement project is located in the area surrounding the New Belgium Brewery construction site and is the City of Asheville's portion in a public-private partnership with The State of North Carolina, NC Golden Leaf Trust Fund, NCDOT, Buncombe County, The Asheville –Buncombe Economic Development Coalition, the NC Economic Development Administration, the Clean Water Management Trust Fund and others in support of New Belgium Brewing's investment of \$175 million in our community.

The project includes the following:

- [Craven Street Multimodal Roadway Improvement](#)
- [Riverway Connector Segment \(Greenway\)](#)
- [Low Impact Parking Lot](#)
- [Stream Restoration and Stormwater Best Management Practices](#)
